Residential Permit Parking

Community Outreach Meetings

- Provided Overview of Residential Permit Parking (RPP) Program
- Reviewed current City Code and necessary changes
- Reviewed RPP Program
- Discussed options for districting
- Requested that neighborhood representatives discuss program, distribute information, and gather input from residents
- Presented four options to neighborhood representatives
- Requested representatives indicate neighborhood preference by February 1, 2011
- Open public meeting scheduled for February 10, 2011

Parking Options

- Option 1: Current process
- Option 2: Multiple RPP districts
- Option 3: Single RPP district
- Option 4: Daytime parking district

Resident Concerns

- Cost of permits
- Difficulty obtaining visitor permits
- No initial petition takes away rights
- District boundaries
- Disagreement on who may obtain permits (private developments/ apartments)
- Sign clutter

Neighborhood Protection Program

Outstanding Issues Being Tracked

- Fire/Emergency Response Impacts
- GRIP
- Open Space

Thank you...
